

# HEADING HOME FOR SUMMER BUT HAVE TO LEAVE YOUR FURRY FRIEND BEHIND?

**DON'T post your pet "Free to a Good Home" online!**

Pets given away to **strangers** often end up **abused, neglected or worse....**

**INSTEAD...** Contact a local **RESCUE** or **SHELTER** to surrender your pets with the peace of mind they will be **cared for by animal-loving volunteers**, and **adopted out only to applicants who pass the organization's screening process.**

**Need assistance placing your pet?** [Email](#) a request with your name, phone #, a photo and basic info about your pet.
