

LAB WASTE DISPOSAL

RECYCLE

recycle.uiowa.edu

Rinse containers. Do not recycle items that contained hazardous materials; refer to EHS Waste Management Guidelines for proper handling.

PETE

HDPE

Plastic Containers

Must be labeled with #1 or #2 to be recyclable

Paper and Cardboard

TRASH

Unused laboratory plastics that cannot be recycled should be placed in regular trash liners and should not exceed 30-pounds.

BIOHAZARD

Used labware should be disposed of in the biohazard tubs; see the Biohazard Waste Guidelines for more information. All gloves, used or unused, should also be placed in biohazard tubs.
