

Off-Campus Recycling

Live in an apartment building (over 4 units) with no recycling?

Here's what to do:

- Contact your landlord to confirm if there is a recycling service on site.
- If your landlord says they do not have recycling, please report this as "Housing: Recycling Issues" at icgov.org/ICgovXpress and provide your apartment's address and recycling status.

Live in an apartment building with recycling, but not sure how to use the program?

Here's what to do:

- Contact your landlord for recycling program information.
- If your landlord does not have information, access information at icgov.org/apartmentrecycling.

Live in a single-family house or apartment building with 4 or less units?

If this description fits you, that means that you have City of Iowa City curbside collection for trash, recycling, and organics (food waste + yard waste).

Learn how to recycle at the curb @ icgov.org/recycle.
