

Earth Day Open House

The Earth & Environmental Sciences and Geographical and Sustainability Sciences departments will be hosting a free Open House and Earth Day celebration. The day's events will include hands-on exhibits and demonstrations.

Highlights include an augmented reality sandbox, stream table, rocks and minerals, insect diversity, Devonian and Ice Age fossils, impact craters, a virtual tour of Mars, LIDAR demonstrations, and groundwater contaminant models.

Saturday, April 20, 2024 | 1 p.m. – 4 p.m.

Trowbridge Hall

123 Capitol Street, Iowa City, IA 52242
